Dear everyone at Wymondham Archers,

Your support makes a real difference!

Since 1997, Nelson's Journey has supported thousands of children and young people in Norfolk who've experienced the death of a significant person in their lives. We provide a range of services including information and guidance, training, group activities, residential weekends, and one-to-one support based on the needs of the child.

We are only able to provide our service in Norfolk because of the tremendous support from our local community – without it, we simply wouldn't exist. Thank you so much to everyone who took part in your incredible 2.6 Challenge, raising £375.75 for Nelson's Journey. Please accept this letter as our grateful thanks for your support, especially at this challenging time.

Nelson's Journey is currently helping hundreds of bereaved children in Norfolk to see a positive future for themselves following the death of a special person. I'd like to share with you some feedback that demonstrates the impact of our work - made possible by our supporters:

"I saw these young children who'd lost their mum and I realised I wasn't alone. It was really good to be with other young people who've been through the same as me" – young person

"My child has really benefited from the support from Nelson's Journey. She is able to deal with her anger in a more controlled way" - a parent

We'd really like to keep you informed of our work and events. You can subscribe to our email newsletter at www.nelsonsjourney.org.uk and connect with our various social media channels too!

Your generosity and support for Nelson's Journey will make a real difference for bereaved children and young people in Norfolk. Thank you.

With best wishes,
