

WYMONDHAM ARCHERS

Notes from meeting 11/3/15

In attendance Paul Judkins, Gillian Harris, Sally Woollorton, Andy Beer, Jim Woodrow, Nick Brooks.

Sally to invite Steven Ralphs, a bowmaker, to give a talk to us on a shooting night. This is likely to be of interest to members of other clubs, so we would need to publicise it.

The Church that uses the school on Sundays is looking to move to new premises early in 2016. This should allow us to have competitions on Sundays later in 2016.

Line etiquette needs to be further addressed. For insurance purposes we need to be appointing a line captain at be the person in charge of shooting on each night, this is a requirement of our insurance through Archery GB.

Nick Brooks has received insurance documentation from Archery GB which we need to display, probably in the container.

We have had details of fire regulations from the school. We need to make sure that we decide on assembly points and communicate it to all club members and other attendees through the shooting etiquette booklet that we are planning to publish.

We approved the minutes of the last meeting and agreed the agenda for next months AGM.

Nick Brooks to put the club forward for Archery GB's Development programme.

We agreed to propose that membership fees would remain at 2014 levels for 2015 at the AGM.

We proposed that the club should attempt to hold a competition on a Saturday tba. Possibly in June or July. A "Western" was suggested. Chris Peachment would be asked to take this forward.

AOB

Non slip matting was supplied by Andy Beer, the cost of this would be taken from the printing fees that he was due to owe the club from the school. The club will meet these.

It was proposed that we should ask some younger members of the club to sit on the committee, possibly by an election by the existing junior club members.

We will have a small AGM pre-meeting 10 minutes before the AGM itself.
