

Wymondham Archers

Minutes of Committee Meeting 18/05/2015

Attendees:

Andy Beer	Kenny Allen	Paul Judkins	Gillian Harris
Nick Brooks	Jo Smith	Sally Woollorton	Jeff Arnold

1. Membership: Renewals – Treasurer absent, so this was deferred. Post meeting note – 29 members have renewed, with about another 15 regulars outstanding, to be reminded as they attend shooting sessions. No reminders considered necessary at present.
2. Equipment: Maintenance and repairs are ongoing. Jeff requested that the club provide wood glue and clamps. Jeff to obtain supplies, committee agreed to fund these.
3. Child protection: Parent / guardian supervision required for juniors. Noted.
4. Finance: Post meeting note – Bank balance £3,743.11, cash £69.34. Some ongoing expenses due, but the club accounts remain very healthy.
5. Internal competition: All agreed that this would be a good idea to practice in holding an event, and discipline for participants. A Saturday morning session of 4 hours is considered necessary to allow enough time for the event. Early August was considered a suitable date. Nick to solicit interest from members by email and notice.
6. Steve Ralphs visit: In order to achieve best results, it was considered best to choose a non-shooting evening, and to open the event to other local clubs, charging a small fee in order to recoup costs. Andy is in contact with Steve on other matters, so he will use the opportunity to pursue a visit, and find a convenient date, from which point we can organise the event.
7. AOB:
 - 7.2 The church which uses the school premises on Sundays is moving to new premises at the end of the year. Nick to enquire whether they intend to take their container, or if it would be available to purchase.
 - 7.3 Range Captain: In order to comply with the conditions of our insurance policy, it is necessary to have a Range Captain in nominal charge of organisation and safety for every session. It was considered necessary for a captain and deputy to be identified before shooting begins, and they can share responsibility and shoot alternately. These positions should be filled on a rota basis, and volunteers would not be charged a shooting fee for that session. See spreadsheet.
 - 7.4 Next meeting Monday July 13th 7pm
