## **4 Reports from Officers:**

### **4.1 Chairman**

The chairman thanked the outgoing committee members, and praised members who had been very successful in competitions during the year. He anticipated continued success and growth in the coming year.

### **4.2 Treasurer**

Jim presented his accounts for the year. Brought forward £2438.95, and carried forward £2767.75. This is despite major outlay for new targets frames and faces, in addition to routine replacements and hire of the school premises.

### **4.3 Head Coach**

The club has sponsored several new coaches to level 1 standard. It is hoped that some will now progress to level 2 in the coming year. He also reminded members that under Archery GB guidelines, coaches are not permitted to offer advice unless they are approached by members. Do not hesitate to ask a coach if you need advice or guidance on any matter.

### **4.4 Equipment Officer**

Jeff continues to maintain the equipment which we all use. He suggested using the thinner bosses when we move outdoors in the summer. Additional bodies are always required to help set up and put away equipment.

#### **4.5 Secretary**

Nick thanked Jim and Sally for their sterling work on the committee since the first days of the club. Range discipline has been excellent with no safety issues, and the split ranges outdoors are working well to prevent delays. We should remember that we are guests on school premises, and act accordingly. Facilities like ours are hard to find! Gillian reminded all members to visit the website regularly for information on availability of shooting and other news.
