4. Competitions: Sarah explained the 252 competition principles, and it was agreed to promote this within the club. The On Target inter club competition saw the club drawn against City of Norwich Archers, but it has been impossible to arrange a mutually convenient date. Sarah to pursue the possibility of a bye to the next round,.
5. Steve Ralphs visit: No progress – Steve has many commitments and finding a gap in his schedule is difficult.
6. Website & social media: Gillian has been working on the Twitter account, and would like a link to the Facebook page for automatic updates. Pete to liaise. It was suggested that changes be made to the website to allow documents to be held for general viewing, and contact details for committee members, but this needs to be an indirect address rather than a personal one.
7. AOB: Jim has volunteered to be flung from an aeroplane for charity. The club agreed to pay £25 to facilitate this.
8. Next Meeting. The next meeting will held at 7pm on 18th July..
