## Minutes of Extra-Ordinary Committee Meeting

8 January 2018 at 8.00pm

Present: Pete Hill (Chair); Sarah-Ruth Hubbard (Secretary); Daron March (Treasurer); Fay Lawson; Dan Parnham (Vice Chair); Dave Tonnison; Sally Wooltorton; Gillian Harris

In attendance: Mary Lawson (Minutes)

### 1. Purpose of the meeting

Pete explained that this meeting had been called to look at the right formula that members of the club would accept as a new Fees Structure to be set up from 1 March.

2. Daron distributed two papers. The first showed expenditure for the current financial year together with breakdowns showing the existing arrangements for fees and proposed new single payment. The second paper set out the proposed arrangements in more detail and this paper is attached to these minutes.
3. These papers were discussed in detail. Two scenarios were shown, a single payment fee at the beginning of September or payment of affiliation fees and a monthly payment over 10 months. Prior to the single fee in September, all club members would pay £20 per archer in March with shooting fees of £2.00 per archer per session to the end of August.
4. Pete proposed that the committee accept the single payment fee from August 2018 with half club fees payable in March 2018 and £2 shooting fee per session per archer. Daron seconded the proposal.
5. All agreed with this principle. Pete asked that the sub-committee be empowered to write to club members before the AGM. This was agreed.
6. A query was raised about setting up standing orders and the committee will look at the number of monthly payments to lessen any inconvenience to members. This may mean spreading costs over 12 months.
7. **A date for the AGM was looked at and it was proposed that this be held on Wednesday 7 March.**

The meeting closed.

This is a true record of proceedings.
