

Wymondham Archers Committee Quorum Meeting

31 August 2020

Wymondham Rugby Football Club

Minutes

Present: Pete Hill, Sarah Hubbard, Sam Parker, Lee Meacock, Amy Meacock

Pete provided an update as to current numbers who had rejoined with today technically being the last day of our club year.

Previously due to inclement weather 4 of the static bosses had suffered substantial damage and had been removed. Today the last static boss was removed also due to repair needs. This brings the total no of lanes down to 8. It was therefore proposed that the Club temporarily remove access to guest archers to ensure there is sufficient availability for Club members. This was agreed by all in attendance.

This is a true record of proceedings.

Signed
