#### 2. Club Development Plan

Wymondham Archers income is considerable income due to incoming grant money for the compost toilet.

Pete ran through a spreadsheet that was presented to the development thinking group.

The next step is to make sure the constitution meets the vision of the club. A standing agenda item of "Club development plan" will be added.

There were conversations around having possible stream leaders at the moment it was agreed that

- Pete and Chris will take on Facilities
- Sarah will take on Events
- Pete and Stu will take on Archers
- Mark will take on Club Governance

Pete, Mark and Stu will write a draft vision statement for the club this will then be sent to the committee for approval.

The club development plan will then be redrafted to include the new vision statement we will then divide the work streams into 5.

The meeting closed at 21:45.

This is a true record of proceedings.
